

## The Power to Perform at Your Best

Surefire is a powerful, fast-acting product that will improve your car's performance and save you money because it .....

- ▼ Cleans your fuel injectors
- ▼ Cleans carburettors
- ▼ Improves fuel spray pattern
- ▼ Cleans intake valves
- ▼ Lubricates upper cylinders
- ▼ Protects against corrosion
- ▼ Reduces exhaust emissions

### Which means ....

- ▼ More power
- ▼ Smoother acceleration
- ▼ Better fuel efficiency
- ▼ Easier Starting
- ▼ Increased engine reliability
- ▼ Cleaner air

### Surefire is perfect for ....

- ▼ All petrol cars
- ▼ Modern engines with catalytic convertors, and oxygen sensors
- ▼ Dual fuel, petrol/LPG cars
- ▼ Fleet operators

### Surefire is easy to use ....

Simply add Surefire to your fuel tank when you fuel-up, and **feel the difference** as Surefire cleans your system as you drive. For best results use most of this tank before refuelling. Keep your car running like new by adding Surefire at service intervals.
